Sir,

This is in partial modification to the Council's earlier letter no PG/MBA/UP/2004/017 dated 10/05/2007, the revised status of the programme of the Institute as follows :-

| S.NO | Name of Course(s) | Existing Intake | Revised Intake | Period of approval |
|------|-------------------|-----------------|----------------|--------------------|
| 1.   | MBA               | 60              | 120            | 2007-2008          |

The additional intake is being granted based on the projection shown in the Detailed Project Report regarding additional built-up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built-up area should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the institute is found deficient in fulfillment of norms and standards of AICTE, appropriate action would be initiated by the Council.

Please note that other terms & conditions mentioned in the earlier letter of even no. dated 10/05/2007 will remain unchanged.

**This approval is granted based on the appraisal of the information submitted by the institution on infrastructural, faculty and academic facilities created for the proposed course(s). Therefore the approval is subject to the verification of the claims made by the institution through an expert committee visit. In case the claims made by the institution are found to be false, the approval granted shall be liable to be withdrawn.**
